MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director of Central Intelligence
Deputy Director for Administration

FROM: Donald E. Smith
Director of Training

SUBJECT: CIA Guest Speaker Program

REFERENCE: Memo to DCI from Michael J. Malanick, ADDA,
dated 2 September 1977, Same Subject
(ER 77-9015)

1. Action Requested: Your approval is requested of the attached list of prospective CIA Speakers.

2. Background: The CIA Guest Speaker Program was inaugurated in October 1973 to provide intellectual stimulus to Agency employees through contact with the thinking of scholars, officials, and other experts outside the Agency. The program is held about six times a year in the CIA Auditorium generally on the second Tuesday of the month, from 3:00 to 4:15 p.m. The lectures are unclassified and off the record, and all employees are invited to attend. Tickets are also distributed to other agencies of the Intelligence Community.

Although there has been considerable variation in attendance and content, we regard the program as a success. Attendance for the Jack Anderson presentation drew a capacity audience in the Auditorium, and approximately 500 employees watching him via closed circuit television in the South Cafeteria.

3. Recommendation: It is requested that you approve the attached list of prospective speakers. We welcome any additions, deletions, or comments.
